

## Brooklyn Daily Eagle - July 1 2004

### **BEDC celebrated their 25th Anniversary Gala at the Prospect Park Boathouse**

Last Wednesday the **Brooklyn Economic Development Corporation** celebrated their 25th Anniversary Gala at the Prospect Park Boathouse. Master of Ceremonies **Julian Phillips**, anchor at FOX News Channel, joined the BEDC staff and board of directors in honoring two individuals for their contributions. **Mark O'Luck**, president & CEO of spectrum Personal Communications Corporation and BEDC chairman, was recognized for his commitment to fostering success for New York City's businesses, particularly small, women and minority businesses. **Richard E. Dwyer**, Executive Director of the NYC and Vicinity Carpenters Labor-Management Cooperation Trust Fund, was honored for his work obtaining grant money to train minority youth from targeted neighborhoods to become successful journey-level construction workers and his other achievements in the area of community development.
