

## About the Site

[www.NYC.gov/nonprofit](http://www.NYC.gov/nonprofit)

Nonprofits play a vital role in NYC as employers, service providers, and administrators of cultural institutions. In many ways, nonprofits function as custodians of the political, intellectual and cultural **vibrancy** that makes New York City destination #1 for so many of the young, the talented, the ambitious, and the hopeful from around the world.

This website provides **resources** for nonprofits as well as **transparency** into New York City contract management. The Mayor's Office of Contract Services is **dedicated** to assisting nonprofit organizations with the contracting process. Most importantly, [www.NYC.gov/nonprofits](http://www.NYC.gov/nonprofits) provides all nonprofits with access to training opportunities and other initiatives to **build capacity in the nonprofit sector**.

## Frequently Asked Questions

Nonprofit Assistance offers FAQs that focus on key elements of the contract management process and capacity building.
